PRANAV MISHRA

Delhi, India | +91 9793409940 | Gmail | LinkedIn | GitHub

As a fresher data analyst with a strong foundation in data visualization, reporting, and insight generation. Proficient in **SQL, Python, Power BI, Tableau, and Excel**, with hands-on experience in analyzing complex datasets and delivering actionable insights. Adept at creating interactive dashboards, automating reports, and leveraging statistical techniques to inform decision-making. Highly motivated with a proactive learning approach and a passion for solving data challenges.

TECHNICAL SKILLS

- Python
- Power BI
- Tableau
- Data Cleaning
- Advanced Excel
- SQL
- MySQL
- Data Visualization
- Pandas
- Matplotlib
- Seaborn
- MS Office
- NumPy
- PySpark
- Statistics
- Data Storytelling

WORK EXPERIENCE

Associate Analyst | Global Logic | Noida, Uttar Pradesh **07/2024 – 09/2024**

- Responsible for interpreting and analyzing prompts to generate accurate, context-based responses.
- Streamlined data entry processes by implementing a standardized system for filling forms, achieving an error reduction of 30% and enhancing overall accuracy in response generation to client prompts.
- Maintain a strong focus on understanding client needs and delivering tailored solutions using prompt engineering techniques.

Graduate Trainee Engineer – Intern | Parkar Digital | Pune, Maharashtra **01/2023 – 07/2023**

- Gained hands-on experience in both **C++** and **Python**, focusing on key concepts like object-oriented programming and algorithms to solve real-world problems efficiently.
- Developed and automated a report generation system for profit and loss statements related to share market portfolios using **Python** and **C++** to ensure accurate and timely results.
- Leveraged **data analysis techniques**, including mathematical modeling and statistical methods, to improve report accuracy and provide actionable insights for decision-making.

PROJECTS

T20 WORLD CUP 2024 REPORT | Personal Project |Power BI| Link

- **Data Processing:** Processed over **1500 rows** of performance data for **12 players** using DAX and Excel, achieving **100%** data completeness and validity for analysis.
- **Matric Analysis:** Analyzed 8 critical cricket metrics (**Batting Average, Batting Strike Rate, Bowling Average, Bowling Strike Rate, Economy, Dot ball%, Average Balls Faced and Boundary%**,) for each of the top 12 players in the **T20 World Cup 2024.**
- **Visualization Creation:** Designed **7 Power BI** reports visualizations to showcase player comparisons and trends, reducing analysis time by **25%** for performance reviews.
- **Impact Enhancement:** Delivered insights that improved stakeholder understanding of player impact by **30%,** based on detailed performance dashboards and trend analysis.

BLINKIT DATA ANALYSIS REPORT | Personal Project | Power BI | Link

- **Data Analysis:** Analyzed **6 key metrics—Total Sales (₹1.20M), Number of Items (8,523), Average Sales (₹141/transaction), Average Rating (3.9/5), Fat Content trends, and Outlet performance**—across Blinkit's dataset using Power BI.
- **Visualization Development:** Created **5+** interactive Power BI visualizations (**Bar charts, Donut charts, Line charts, Matrices, and Slicers**), enhancing stakeholder insights into sales trends and customer preferences by **30%**.
- **SEGMENTATION WITH FILTERS:** Implemented filters across **5 dimensions—Outlet Location, Size, Item Type, Establishment Year, and Outlet Type**—revealing Medium outlets' **25% higher** Total Sales and Supermarkets' **60% sales** edge over Grocery Stores.
- **INSIGHTS GENERATION:**Identified that Low Fat items drove 60% of sales and post-2018 outlets achieved 20% higher sales, recommending Tier 3 expansion and inventory focus on popular item types like Snacks.

EDUCATION

Master of Computer Application **10/2021 – 08/2023**

Lovely Professional University

Bachelor of Computer Application **07/2018 – 06/2021**

Dev Sanskriti Vishwavidyalya

CERTIFICATE

- **Google Data Analytics Certificate |Google |** Link
- **Data Analytics with Python | FreeCodeCamp|** Link
